your charity.*

Effective charities:

Philanthropists aim to support charities that will use their **money** effectively in order to provide **real solutions** to problems in the community.

Charity aims:

Look at the examples of charity aims then discuss:

Why do you think it is important that a charity has clear goals?

Have your chosen charity been clear about?

What do you think your charity is looking for?

Effective charities:

Philanthropists aim to support charities that will use their **money** effectively in order to provide **real solutions** to problems in the community.

Charity aims:

Look at the examples of charity aims then discuss:

- Why do you think it is important that a charity has clear goals?
- Does your chosen charity have clear aims?
- What do you think your charity's values are?

Charity aims:

Look at the examples of charity aims then discuss:

- Why do you think it is important that a charity has clear goals?
- Does your chosen charity have clear aims?
- What do you think your charity's values are?

Charity spending:

Which charity do you think is spending its **money** most effectively and why?

Find out how much money your chosen charity has in its annual budget and what percentage of money it spends on administration costs and on charitable activity. Include the information in your presentation.

What difference is your charity making?

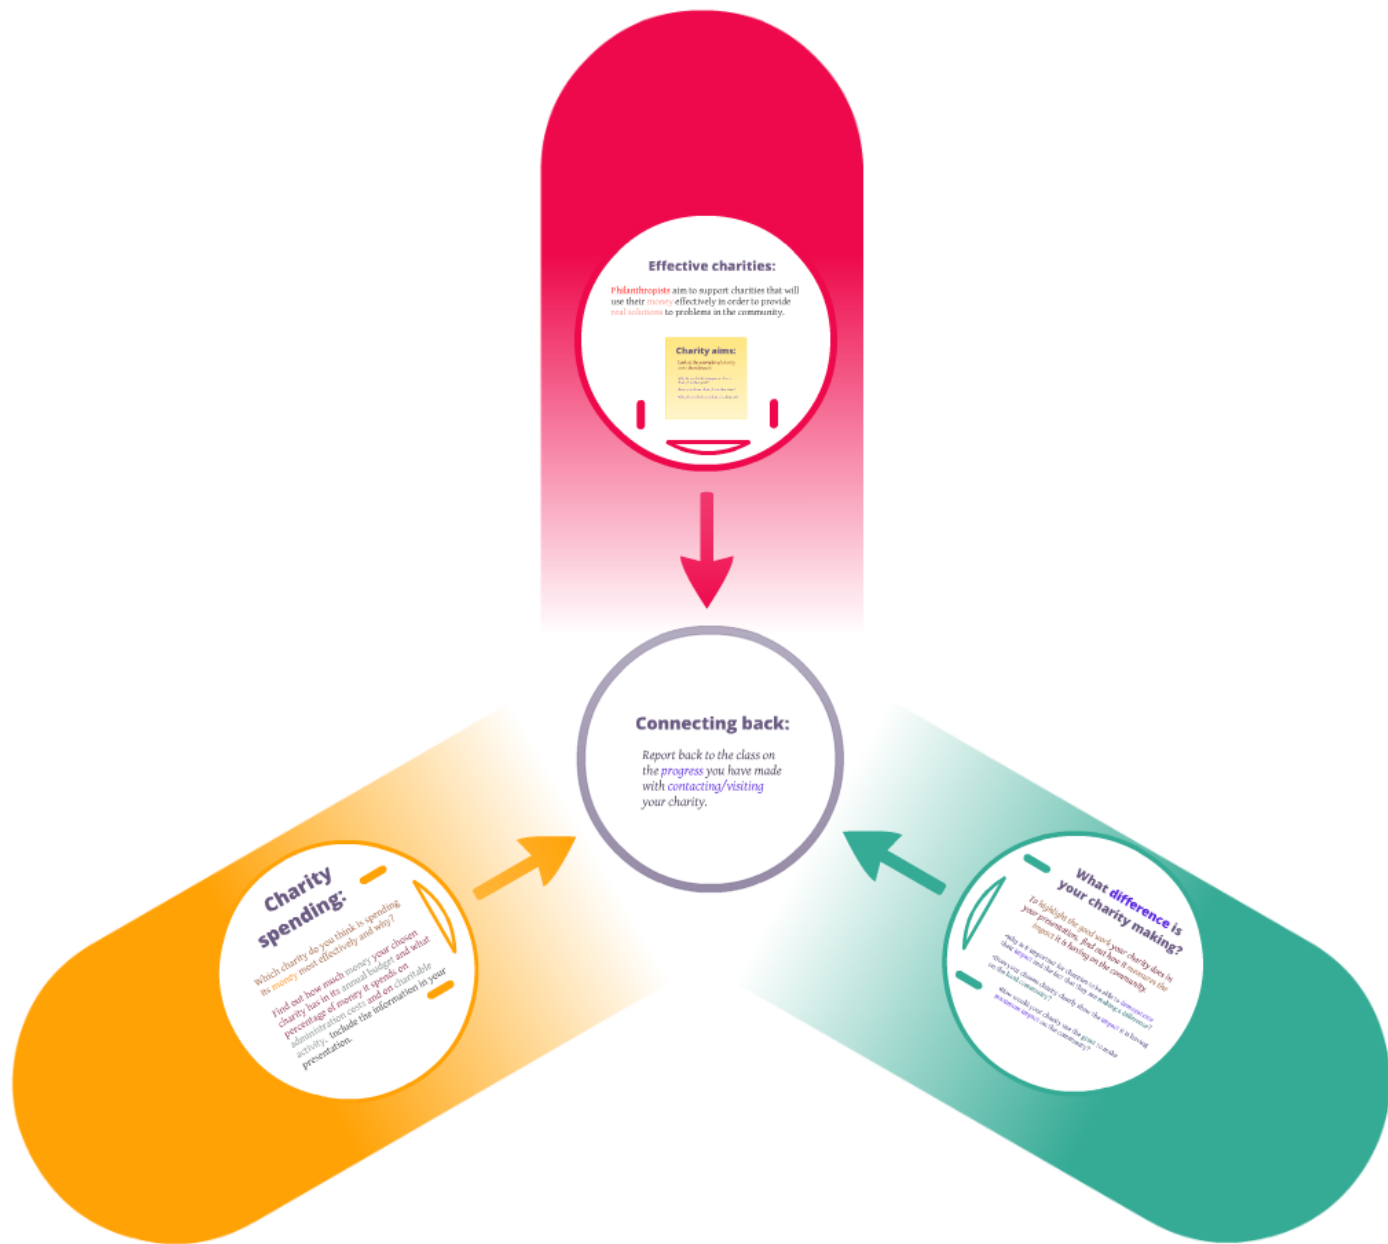

To highlight the good work your charity does in your presentation, find out how it measures the impact it is having on the community.

- Why is it important for charities to be able to demonstrate their impact and the fact that they are making a difference?
- Does your chosen charity clearly show the impact it is having on the local community?
- How would your charity use the grant to make maximum impact on the community?

What **difference** is your charity making?

To highlight the good work your charity does in your presentation, find out how it measures the impact it is having on the community.
